

Updates

We had a great first week of school. Students are settling in to all the new routines. We are very proud to say students are wearing masks, hand sanitizing and following directional signs. They are getting use to cohorting first thing in the morning and going homeroom classes for the day. We will continue to update families as information becomes available from public health and the department of education.

Two new information documents were sent out by HRCE and Department of Health. A new COVID-19 checklist and Our Shared Health Our Shared Responsibility. I have attached both documents.

I have included a SIP insurance brochure for families.

Reminders

- We ask that parents not enter the parking lot for safety reason during the school day.
- Reminder students in grade 7 should not be on school property prior to 8:35 Grade 8 8:40 and Grade 9 8:45.
- Please ensure students bring a spare mask each day.
- Please ensure your registration form has current contact information. Send in all handouts that went out the first day.
- If parents want a copy of their power schools reach out to Mrs. West and she can send a copy via email. All students received their power schools information the first week of school.
